ORDER:

In the reference read above, the Engineer-in-Chief(R&B), State Roads, Hyderabad has stated the road Banaganapally – Panyam road to Kalva – Bethamcherla road (via) palukur is an important taken over road which connects Kalva – Bethamcherla – Banaganapally road (SH) at one end and Banaganapally – Panyam road (MDR) at other end. Number of Napa stone quarries are located all along this road from Km 6/0 to 13/5. The heavy loaded trucks are carrying are located “naapa” stones ply on this road every day. The traffic intensity is very high on this road. The stretch from Km 6/0 to 13/5 is badly damaged and sunken due to heavy loaded trucks and could not withstand being single lane road. Hence it is essential to widen the road for uniform distribution of the load so-that the road can cater to the need of the traffic with heavy loads.

2. The Engineer – in – Chief (R&B) State Roads, Hyderabad while submitting, Proforma estimates has certified that the Stage –I approval is not required as detailed investigation was completed. No land acquisition and shifting of utilities are not required for taking up the subject work without interruption.
